Dear Colleague,

Please find enclosed the license certificate for operation of your tissue, hematopoietic progenitor cell, or nontransplant anatomic bank.

Biologica Technologies, LLC
1905 Aston Avenue, Suite 101
Carlsbad, CA 92008

The license certificate must be posted conspicuously at the approved location. You must submit a new application if you intend to expand your services or categories of tissues beyond those listed on this certificate. Your license is specific to this location; you must notify the Department of any changes in address.

You must submit a new application if you intend to expand your approved tissue, hematopoietic progenitor cell, and/or nontransplant anatomic banking services or activities beyond those listed on this certificate. Your license is specific to this location; you must notify the Department of any changes in address.

To remain in compliance with New York State regulations, you must also:

- Report any changes in tissue bank director, hematopoietic progenitor cell bank director, medical director, nontransplant anatomic bank director, person responsible for Article 43-B, and/or tissue bank compliance officer.
- Report any change in ownership of five percent or more;
- Report any accidents in retrieval, testing, processing, storage or distribution of tissue that may affect the safety of any product within seven calendar days of discovery.

Application forms and specifics of 10 NYCRR Part 52 and Subpart 58-5 regulations are available online at <https://www.wadsworth.org/regulatory/tissue-resources>. If you have any questions, please call (518) 485-5341, or e-mail to btraxess@health.ny.gov.

Regards,

Director, Tissue Resources Program
